

Have you ever heard about eVisa?

eVisa is a platform of the Government of the Republic of Mozambique, created to streamline the issuance of electronic visas and to apply for visas online, in an easier, faster and more convenient way.

What types of visas are available on the platform?

There are 7 types of visas on the platform, namely: border visa, business, tourist, investment activities, sports and cultural activities, humanitarian assistance and crew transfers.

What are the requirements & procedures to apply for the eVisa?

Log into www.evisa.gov.mz and follow the instructions: Create your account, authenticate your e-mail, choose the type of visa, attach the requested documents, submit your request and get your answer within a 5 working days. With your preliminary visa you can now travel to Mozambique and obtain your final visa at the border.

Where and how to pay for your eVisa?

Payment is made at the border, by Credit Card or in cash.
