

EMBAIXADA DA REPÚBLICA DE MOÇAMBIQUE NO JAPÃO
EMBASSY OF THE REPUBLIC OF MOZAMBIQUE IN JAPAN

The Embassy of the Republic of Mozambique has a honour to inform that the Government of the Republic of Mozambique, within the preventive actions of COVID19, took the following additional measures on March 20th, to be implemented from March 23rd for a period of 30 days:

1. To form a Technical-Scientific Commission chaired by the Minister of Health with experts of different fields, to advise the government on issues related to the development of the pandemic based on scientific evidence and on supporting social communication actions in Mozambique;
2. To suspend the issuance of entry visas to Mozambique and revoke previously granted visas;
3. To strength the mandatory home quarantine measures for 14 days for all travelers arriving in Mozambique;
4. To close all public and private schools from pre-school to higher education;
5. To ban public and private gatherings involving more than 50 people, except those of national interest;
6. To impose the mandatory implementation of prevent measures by all public and private institutions, including commercial operators, with a view to reducing the risk of contamination;

Tokyo, March 23rd, 2020

Embassy of the Republic of Mozambique
